3. Mr. K. Subba Rao was appointed Assistant Registrar of Cooperative Societies in Nov. 1918, on probation for one year on a pay of Rs 200 p.m. In Nov. 1919, he was placed in grade 250-$\frac{50}{3}$-450. (The grade seems to have been subsequently changed to 200-25-450). He reached the maximum pay of Rs 450 on 22-5-1929. He was promoted as Dy. Registrar in November 1933 on a fixed pay of Rs 500 & has been drawing this pay since then for the last 3½ years. In 1935, he requested that he may be placed in the grade 500-$\frac{50}{2}$-600 and allowed increments but Govt. considered it too early to think of further increase of pay. N P Q

4. He now requests that he may be promoted as Registrar ~~on~~ on the present occasion ~~the pay of the post~~ This is a post now included in the cadre of Deputy Commissioners. In case it is ~~held~~ held by an officer not in the cadre of Dy. Comrs, the pay of the post is fixed at Rs 700-50-1000. R

Mr Subba Rao is now 49 years old.

5. If a comparison with officers of similar standing in the Department be deemed necessary it is submitted that Mr Abdul Azeez Khan (who was appointed Asst. Registrar of Cooperative Societies a little earlier than Mr. K. Subba Rao, but got into the Civil Service subsequently) reached Rs 450 as Asst. Comr in January 1929, became Senior Asst. Comr. in March 1935 and is acting as Dy Comr. from 30.5.36.

Messrs T. Ramaiya and G. Sundar Rao, who were appointed Prob. Asst. Commrs. in January 1918, reached Rs 450 in July 1929 & Nov. 1929 and were promoted as Senior Asst. Comrs in March 1935. They may be getting Rs 550 from Mar. 1937.

6. The above comparison seems to indicate that Mr K. Subba Rao reached Rs 450 earlier than some of the Prob. Asst. Comrs. recruited a few months earlier and that he also got Rs 500 as Deputy Registrar

8. It is Expected that orders are likely to issue soon on the recommendations of the Corp. Enquiry Commee. The presence of a Senior officer would perhaps be necessary to carry out the orders. Mr. Subbadas has all along been in the Deptt and naturally Expects that his claims would not be overlooked. It is for Consideration whether his representation should be taken up for disposal now or sometime later. In case it may not be possible to grant his

DEPARTMENT OF CO-OPERATION.

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE,

Telegraphic Adderss: "CO-OPERT" BANGALORE

Dated, Bangalore, 19th April, 1937.

CS. 68-37

From

GULAM MOHIYUDDIN MEHKRI, ESQ., B.A., LL.B.,
Registrar of Co-operative Societies in Mysore,
Bangalore.

To

B. T. Kesavaiengar, Esq.,B.A.,
Chief Secretary to Government,
Bangalore.

Sir,

In forwarding herewith the accompanying representation of Mr.K. Subba Rao, B.A.,LL.B.,Deputy Registrar of Co-operative Societies, I have the honour to state that I can fully vouch for the truth of the statements made therein. I had ample opportunities of knowing his work and general capacities relating not only to the period of four years during which I have been in charge of this Department but also during the past and I can speak of them with appreciation as has also been done by my predecessor. It is a pity that for want of openings in the Department Mr. Subba Rao could not rise higher than he has done and as in my opinion he well merits. There is no doubt that Mr. Subba Rao has all along worked strenuously and enthusiastically for the improvement and development of the movement in the State and the non-credit institutions owe in a large measure their origin and development to him.

2. He has during his long unbroken service in the Department acquired a deep and wide knowledge of the movement both on its practical and theoretical sides and has also won the regard of the leaders of the movement. Apart from the other considerations that he has urged he has worked in close association with me and is well acquainted with my policy (in the shaping of which he has been of no small help to me) and he can be safely expected to continue and complete it. Big changes are also in the launching as a result of the recommendations of the Co-operative Committee. Mr. Subba

Rao has since the appointment of the Committee been in intimate touch with its views and the Departmental aspects regarding them and is bestfitted to give effect to them. These would be additional and strong reasons for my supporting Mr. Subba Rao's prayer to be appointed as the Head of the Department. I may be permitted also to add that to ignore Mr. Subba Rao's just and valid claims would be to do him an injustice which would have a disheartening and demoralising effect not only on him but on other Officers of the Department.

I have the honour to be,
Sir,
Your most obedient servant,

M. S. [illegible]
Registrar. 18/4

To

The Chief Secretary to
the Government of H.H. the Maharaja
of Mysore, Bangalore.

Through

The Registrar of
Co-operative Societies in Mysore,
Bangalore.

Sir,

I beg leave to place the following representation for the benign consideration of Government and favourable orders.

I was recruited to Government service 19 years ago as an Assistant Registrar of Co-operative Societies on a graded pay of Rs. 250/- to Rs. 450/-. I have worked in this Department all these 19 years and I think I can claim to have gained a good and wide knowledge and experience of the movement. In all these years of my service in the Department, I have not only improved and developed the credit societies that were under my charge but the few non-credit societies that have been in the State were organised by me and developed so long as they were under my direct care. As regards my work in the Department, I believe I have won the entire satisfaction of my superior Officers and I presume they have also left on record their appreciation of it. As Assistant Registrar I had to come in close contact with the then Deputy Commissioners Messrs. S. Hiriannaiya, Taj Peeran and Ramanathan and the late Messrs. K. Mylar Rao, C. Venkata Rao, Ananda Rao Sirsi and M. G. Krishnaswamy Rao, who knew well about my work, and I believe the former three can still speak about it. As Deputy

Registrar I have also been the Personal Assistant to the Registrar and I think I may state without any untruth that I have been of good assistance to him in the shaping of the Departmental policy, in systematising its work and improving its efficiency and in the purifying and developing of the movement.

Notwithstanding such good work, perhaps for want of openings in the Department I have in all these nineteen years of my service in it risen to a salary of Rs. 500/- per mensem from Rs. 250/- per mensem. In other Departments Officers who started on a much smaller salary have during this period risen to much higher positions. I had to stagnate on Rs. 450/- for about five years and I have been drawing Rs. 500/- for the past three and a half years nearly. When some ten years ago, with the desire of improving my prospects I made a representation to Government to draft me to the general line I was told by the then Dewan Sir Bannerji, that as I had specialised in the Co-operative Department my transfer from it would be a loss to Government of all the experience and knowledge I had gained in it, that there was no reason to apprehend that my prospects in that Department would be inferior to prospects in the general line and that I can confidently look for preferments in it. Under this hope I have continued in the Department for another ten years now with no undiminished enthusiasm or loyalty and gained further in experience and knowledge. Since I learn that the Office of the Registrar is shortly to be vacated by Mr. M. G. Mehkri,B.A.,LL.B., I pray that it may be bestowed on me being fully qualified for it and possessing just claims for it as above narrated. I have barely six years of service before me now and

if I am appointed Registrar now on the reduced scale it is scarcely likely that I shall reach the maximum of the grade even at retirement. I once again beg Government that all these facts may be taken into their kind consideration and I be appointed the Registrar of Co-operative Societies for which act of kindness I shall ever remain grateful.

I beg to remain,

Sir,

Your most obedient servant,

T. Subba Rao
